Testimonials from clients across North America:

"I cried... It's a winner. What a beautiful soul you've created for our little movie."

"With the first notes, your music has already brought me to tears. I love it..."

"Great sounding music, and good to see such a quick turnaround, too."

"You always express the emotion I want through your music."

"Your music brought the film up to a whole new level."

"You are definitely top of my list of composers."
